

Shelburne Retirement

August 2018

News

This month we are having our annual family BBQ with family, friends and great food. Our special guest this year is a 1st place Champion at Elvisfest! There's also Shelburne's Annual Fiddle weekend which the residents enjoy going to the play downs, listening the fiddle music and watching the parade.

Just a reminder that if you have a Medical Pharmacies payment please drop off the cheque to the staff in the Health Care Office as we can send it to Medical Pharmacies on your behalf.

Happenings in the Home

One of our volunteers is looking for someone who is interested in volunteering a couple hours once a month to help with Manicures. If interested please see Michelle.

We also have other activities going on in the home such as; Reading with Wendy (every other Tuesday), Euchre starting up again in September (Monday nights & Wednesday afternoons) and much more. Check out the monthly calendar for details!
